

## GENERAL TERMS OF PAYMENT

### ● TERMS OF PAYMENT

All treatments must be paid in HUF or EUR and in cash on the day of the treatment.

Exception: for dental caps and inlays, a deposit of 50% must be paid for the impressions and the rest must be paid when the dental caps/inlays have been inserted. Please ask the reception about the amount to be paid before the next treatment appointment.

The cost of unpredictable treatments (e.g. root canal treatment) will be charged in addition.

The cost estimate is valid for 6 months from the date of issue. If the full treatment takes more than 6 months, we reserve the right to change the price as of the 7th month.

### ● CANCELLATION, CANCELLATION FEE, DELAY

Fehér Dental Team's office is an appointment-based dental surgery.

The appointments made are reserved only for the patient concerned. Since the Fehér Dental Team needs to make a thorough preparation for the agreed treatment date, appointments which are not cancelled by the patient within 48 hours before the agreed appointment will be charged at 30% of the treatment fee.

It is also deemed as cancellation, if the patient appears for the appointment, but s/he does not want the treatment or wants to have another treatment.

In the event of a delay exceeding 15 minutes, the Fehér Dental Team may refuse the treatment due to the necessary length of the treatment.
